

GIFT-SPIRATION FOR BRIDESMAIDS AND GROOMSMEN

Pay tribute to those invaluable people helping you along this wedding journey. Find a gift that lets your bridesmaids, groomsmen and spouse-to-be know how much you appreciate them.

Gifts for your bridesmaids

1. Signature Scent: A niche luxury fragrance not found everywhere or on everyone becomes a signature scent with a lovely memory. Reisa by Truly Yours Parfums—a citrusy, floral scent anchored with an exotic oud undertone—comes in a 100-percent pure perfume oil rollerball and is the perfect size to fit into your bridesmaids' bags.

Available for \$45 online at www.trulyyoursparfums.com and exclusively in Westlake Village at Siany 968 S Westlake Blvd, Suite 8, Westlake Village, CA (805) 557-1881.

2. Shanga Necklaces: Your bridesmaids will feel fabulous with these hand-strung Shanga beads around their necks, each one unique from any other. Inspired by her South African roots paired with the Malibu beach scene, founder and creator Alex Milton describes her necklaces as "Bohemian Chic with an African Spirit." After the wedding, everyone can wear their necklaces whenever the group is reunited.

3. Personalized Candle: Local gift shops are often teeming with amenities that would make any bridesmaid feel pampered and appreciated. The "Noted Write-On Candle," (\$23) which is lined like notebook paper, comes with a pencil for you to write a personal and lasting note to each of your bridesmaids.
